

EAA 509 Meeting

Call to Order

Jim Gundry called the meeting to order at 8:00 PM Dec 10, 2009.

Introductions Those present introduced themselves and related their recent flying related activities.

Secretary's Report

The Secretary's Report was read and accepted.

Treasurer's Report

Tom Oatman reported that our current account has \$3,923. Tom anticipates \$1,500 in bills before the next meeting.

It was asked how many paying members the 509 has. Jim Gundry responded "about 30 to 32".

Old business

The winter banquet is set for January 14th at Hipps'. Someone from the 2010 air show committee will be the guest speaker. The air show is scheduled for June 2010.

Jim Gundry asked Jim Solberg to follow up on a prior concept of offering the 509's services in snow removal from in front of the rented hangars at the Eau Claire airport.

Jim Gundry reported that there has been some trouble with the keypad lock on the club house door and asked if any one knew where the spare keys were. No one knew.

New Business

There was no new business.

Program

The program consisted of presentations by John Olson at his place showing his Aeronca L16 rebuild project and then Mike Berg at his place also rebuilding an L16 project.

John is using the Poly Fiber process. Mike is using the Superflite process. Mike said that Superflite has a tendency to crack and is heavier than Poly Fiber.

Mike said that he would consider using a waterbased system on any future projects.
